

★ APPLICATION INFORMATION FOR NEW ARTISTS 2022 ★

You are invited to submit an application to the 2nd ANNUAL LEGENDS WEST ART SHOW. The founders of Legends West strive to give you the best possible setting to display and sell your art. We will once again be with the long-established Great Western Living and Design Show held at the Expo Park, Great Falls, Montana.

Our first show in August 2021 was a resounding success with good sales, an inviting gallery style look and talented, friendly artists. We received many positive comments from artists and public alike.

The show dates for 2022 are March 17-20 and August 18-21

Our show is limited to a select number of juried artists to show your work to its best advantage.

Artists will be required to submit each year for booth space. We will keep a waiting list of interested artists in case of a cancellation.

Exhibit booth fees for 2022 range in price from:

10x10--\$650, 10x15--\$900 and 10x20--\$1150

This includes our \$100 show fee that covers our aggressive promotional advertising campaign in the widely distributed Treasure State Lifestyles magazine, Facebook, banners and our Legends West web site.

If you are sharing a booth with another artist, they will also be required to pay the \$100 fee and be juried in.
